1.—That I have set down in the above Assessment Roll all the real property liable to taxation, situate in the municipality of the _____ and the true actual value thereof in each case, according to the best of my information and judgment.

3.—That I have entered thereon the names of all the resident householders, tenants and freeholders, and of all other persons who have required their names to be entered thereon, with the true amount of property occupied or owned, or of income received by each, and that I have not entered the name of any person whom I do not truly believe to be a householder, tenant or freeholder, or the bona fide occupier or owner of the property, or in receipt of the income set down opposite his name, for his own use and benefit or otherwise to be entitled by law to be so entered.
